

Roll-A-Ramp® Van Ramps *“It’s a matter of dollars and sense”*

❖ ***The Logical, Affordable Solution to Van Access***

- *A ramp that mounts into standard vans*

Load scooters, wheelchairs & more

Great for delivery vans!

An after-market ramp solution that mounts into many ordinary vans

- Provides access
- Secure storage and transport of wheelchairs & scooters
- Transport of cargo
- Stows upright inside van door for clean use of space

Folds down for loading – folds up for storage

An alternative to more costly converted vans & lowered-floor conversions

Compatible with many standard vans see dealer or call us for application

Why A Roll-A-Ramp® Van Ramp

- ***Common Sense Pricing – A Fraction of the Cost of a Converted Van or Lowered Floor***
- ***Aerospace Aluminum – Super Reliable & Secure***
- ***The Only Ramp With a Full 10 Year Warranty & 1,000 lbs. capacity***
- ***Keeps Equipment Inside & Protected***
