Amazing 1,000 lbs (435kg) Capacity

### **“Truly Modular” Advantage – It’s Unlike Any Other**

- **Always Portable** → Set it up when you need it; roll it up when you don’t
- **Virtually unlimited ramp length** → Ability to add & remove links anytime
- **6061 Aircraft-Aluminum Construction** → The Gold Standard for Aluminum
- **Unconditional 10 Year Warranty** → Unmatched by any other product

**“Get what you need, don’t settle for less!”**  
Available in 26” / 30” & 36” wide models at any length

# **The Roll-A-Ramp® Advantage**

*The Clear Choice in Portability*

**Why by Roll-A-Ramp® over some other ramp?**

*The answer is simple: A ramp that is extremely strong & safe, yet lightweight*

- *Rolls up and is portable enough to take anywhere*

**What's the one key feature that sets your product apart from the competition?**

- *Simple: It's portable at ANY Length*

## **AVAILABLE ONLY WITH ROLL-A-RAMP®**

### **Rolls Up**

*Easy portability! The only ramp on the market that conveniently rolls up*

### **Incredible Strength – Unmatched Traction**

*1,000 lbs. Capacity – Surface Design Allows Water to Pass Through*

### **Easily Expandable**

*Quickly add modules to your ramp at any time to lengthen*

### **Splits into Sections for Easy Handling**

*No matter long it is the ramp can be set up by anyone*

**Simply put, the most flexible, versatile and portable ramp available – at any length**
