

ROLL-A-RAMP

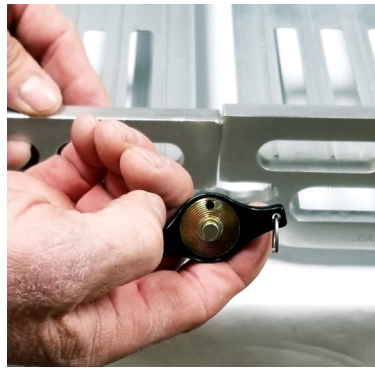

Where Strength and Flexibility Meet

#3275 QUICK-CONNECT PINS

- ◆ Easy push-button operation
- ◆ Smoothly inserts into ramp holes
- ◆ Split ramps into short sections
- ◆ Makes ramps easier to handle and set up
- ◆ Any length ramp can be easily portable—can be split into several short ramp sections

EX: 6m ramp

- ⇒ Too heavy / large to handle
- ⇒ Insert Pins at 1.5m locations on the ramp
- ⇒ Easy to set up and take down

Connect sections to make ramps without tools Push button—Insert pin—release button—securely locks

Pins replace bolt/nut at any link section

Quickly add Approach Plates to create ramps
